

CAKE IS FOR LIFE, NOT JUST FOR CHRISTMAS

My last few days in the kitchen this year and then on to the mountain of home cooking for my festive celebrations. I hope you all enjoy the holidays and that if you purchased some bakes or makes from me, that they add to the merriment. I would like to thank you for your support over this last year - it has been a busy one, with lots of new customers and products. I have a few new additions to my "to do list" for 2018. If there is something you would like me to make or resurrect from your family archive, I love a challenge! Wishing you all a very merry Christmas and a happy new year! I'm back in the bakery from the 9th January, to give you a gentle push off the wagon xx
